INSTRUCCIONES

Para alumnos de ciclo superior de primaria y la ESO

Cada partida puede durar unos 15 min.

En grupos de tres se les da un paquete con 10 verbos, en total 20 fichas. Cada verbo irregular con su pretérito y participio de pasado correspondiente. Las ponen boca abajo y el primer jugador levanta tres fichas, si no se corresponden, entonces memoriza su colocación, las vuelve a poner boca abajo y juega el siguiente jugador. Cada trío encontrado lo guarda el jugador apartándolo de la mesa de juego.

Objetivo: Conseguir el mayor número de tríos y aprender los verbales irregulares en inglés con su traducción.

Ejemplo de trío:

BE	WAS WERE
BEEN	

Diferentes dinámicas de juego:

- Buscando sólo parejas, cada verbo infinitivo con su pasado o pretérito.
- Dejando bocarriba sólo los infinitivos como referente en el tablero, esto es, los infinitivos que van saliendo no se vuelven a tapar, sino que se dejan bocarriba a uso del resto de los jugadores.

			BRING		
	FIND				
				TELL	

- c) Se recomiendan diez verbos, pero a disposición del profesor pueden ser más o menos.
- d) Dejando bocarriba sólo los pretéritos o los participios de pasado como referente en el tablero, esto es, los pretéritos o participios de pasado que van saliendo no se vuelven a tapar, sino que se dejan bocarriba a uso del resto de los jugadores.

					STOOD
		FELT			
LAY					
				LOST	
		MADE			

Las combinaciones son muchas. El profesor debe de escoger lo que le interese trabajar con el alumnado y hacer los paquetes-fichas correspondientes.

ADVERTENCIA

Los verbos CAN y MAY *no tienen past participle*, por lo que sólo se buscará su pareja en *past*.

Todos los verbos en infinitivo tienen su traducción en castellano y en catalán.
